## **Mayor Names New Administrator of Indianapolis Animal Care and Control**

INDIANAPOLIS - Mayor Greg Ballard today announced his selection of Daniel T. Shackle as Administrator of Indianapolis Animal Care and Control beginning September 17. Shackle, an attorney, currently serves as Program Manager of the Nuisance Abatement section of the Indianapolis Department of Code Enforcement.

"Dan is a get things done kind of leader and passionate about animals," said Mayor Ballard. "Dan's work leading the city's training, inspection and enforcement teams during Super Bowl 46 demonstrates his ability to problem solve and continue the improvements already underway at Animal Care and Control."

Shackle is a U.S. Army Veteran and a Bronze Star recipient for exemplary actions during Operation Iraqi Freedom in 2003. He left the Army in 2005 at the rank of Captain. Dan joined the City of Indianapolis in 2010 after working for the Indiana Department of Revenue and private practice in Kansas City, Mo. He earned his undergraduate degree from Indiana University-Bloomington and his law degree from the Oklahoma City School of Law.

Dan and wife, Amy, are the proud owners of a Maltese named Leila.
